#### MINISTRY OF AGRICULTURE RESILIENT LANDSCAPES AND LIVELIHOODS PROJECT PHASE II (RLLP II) FOR THE YEAR ENDED JULY 7, 2024

#### 1. BACKGROUND

The Project Development Objective of Second Resilient Landscapes and Livelihoods Project (RLLP II) is to improve climate resilience, land productivity and carbon storage, and increase access to diversified livelihood activities in selected rural watersheds. The objective would be achieved through the provision of capital investments, capacity building and technical assistance and for small holder farmers in the watersheds and government institutions at national and sub-national levels.

The Project will build on the wealth of technical, operational and institutional experiences and lessons learnt through the implementation of GoE's SLM Program, including the Bank-financed RLLP I and similar initiatives supported by other bilateral and multilateral partners in the country and the region.

It will be implemented through three components: (i) Investment in Green Infrastructure and Resilient Livelihoods; (ii) Investing in Institutions and Information for Resilience and (iii) Project Management and Reporting.

The implementation of the RLLP II takes place in seven regions of the country. These are: Amhara, Beneshangul-Gumuz, Gambella, Oromia, Southern Nations Nationalities and People (SNNP), Sidaama and Tigray.

The proposed Project is a 5-years Investment Project Financing of US\$165.24 million from GCF sources and a grant from PROGREEN in the amount of US\$ 13 million both through the World Bank making the total project funding US\$ 178.24 million.

The GCF finances all subcomponents of Component 1 (Green Infrastructure and Resilient Livelihoods), and Component 2 (Investing in Institutions and Information for Resilience) but limited to only sub-component 3 (a) (Operating Costs and costs of implementing Project's fiduciary and environmental and social safeguard aspects, financial management, procurement, training and awareness creation, gender mainstreaming, and monitoring and evaluation and reporting) of Component 3 (Project Management and Reporting), only in 40 intervention Woredas identified for GCF financing and respective Regional and Federal Project Coordination Offices.

The PROGREEN funding finances all subcomponents of Component 1 (Green Infrastructure and Resilient Livelihoods) but limited to subcomponent 2 (a) (i) (implementation of the Project and build capacity to sustain land and water management practices in watersheds, including financing of selected staff positions and associated financing of training; and subcomponent 3 (b) engaging forest and biodiversity specialists; in seven (7) woredas identified for PROGREEN financing in SNNPR and Gambella Regional States, including Regional and Federal Project Coordination Offices.

#### 2. Audit objectives

The objective of the audit is to express an opinion in accordance with International Standards on Auditing (ISA) promulgated by the International Federation of Accountants (IFAC) on the Project financial statements, namely, the statement of funds received, showing funds from the World Bank, project funds from other donors and counterpart funds separately, and of expenditures incurred; the summary of the activity in the Designated Account; the Balance Sheet together with their notes and list of material assets acquired or procured to date with project funds.

The audit examines whether the:

- (a) World Bank financing and all external financing have been used in accordance with the conditions of the relevant financing agreement, with due attention to economy and efficiency, and only for the purposes for which the financing was provided.
- (b) Counterpart funds have been provided and used in accordance with the relevant financing agreements, with due attention to economy and efficiency, and only for the purposes for which they were provided:
- (c) Goods, works and services financed have been procured in accordance with World Bank's Guidelines.
- (d) All necessary supporting documents, records, and accounts have been maintained in respect of all project activities, including expenditures reported using Statements of Expenditure (SOE) or Interim Unaudited Financial Statements (IFS) methods of reporting;
- (e) Designated Accounts have been maintained in accordance with the provisions of the relevant financing agreements and funds disbursed out of the Accounts were used only for the purpose intended in the financing agreement:
- (f) National laws and regulations have been complied with, and that the financial and accounting procedures approved for the project (e.g. operational manual, financial procedures manual, etc.) were followed and used:

(g) Financial performance of the project is satisfactory.

- (h) Assets procured from project funds exist and there is verifiable ownership by the implementing agency or beneficiaries in line with the financing agreement.
- Ineligible expenditures included in withdrawal applications are identified and reimbursed to the Designated Accounts.

#### 3. Audit Procedures

We have designed and applied the following procedures to assist us in expressing an opinion on the financial statements, the statement of expenditures, and disbursement requests as far the designated fund is concerned, and as to whether the report fairly represents the project's financial affairs. These procedures are summarized as follows: Chartered Certified

# INDEPENDENT AUDITORS' AUDIT REPORT TO THE MINISTRY OF AGRICULTURE RESILIENT LANDSCAPES AND LIVELIHOODS PROJECT PHASE II (RLLP II)

We have audited the accompanying financial statements of the Resilient Landscapes and Livelihoods Project Phase II (RLLP II), comprising the statement of financial positions as at July 7th, 2024 and the statement of sources and uses of funds, statement of designated accounts for the period then ended, and a summary of significant accounting policies and other explanatory information shown from pages 3 to 19.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Resilient Landscapes and Livelihoods Project Phase II (RLLP II) implemented by the Ministry of Agriculture, the Statement of Sources and Uses of Funds for the year ended July 7, 2024 in accordance with the accounting policies and procedures of the Federal Government of Ethiopia adopted for the Project. In addition, the Project was, in all material respects, in compliance with the Financing Agreements and Contracts.

#### Basis for opinion

We conducted our audit in accordance with the International Standards on Auditing applicable to the audit of financial statements. Furthermore, we have audited the Project's compliance with the provisions and covenants of the International Development Association Loan No. IDA Loan No. MDTF B5341, GCF TF B8438 and TF B 8450 Financing Agreements.

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accounts (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Ethiopia, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Financial Statements

The management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting policies of the Project, and for such internal control as management determines is necessary to enable the preparation of a project report that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the project report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### In addition, in our opinion

- a. The payments out of the Designated Account have been made in accordance with conditions of the Financing agreement and Separate Agreement.
- b. The Designated Account has been maintained in accordance with the provisions of the (Loan/Financing) Agreement the World Bank Guideline)
- c. Expenditures are supported by relevant and reliable evidence. All supporting documents and records with respect to the statements of expenditure submitted as the basis for withdrawal applications have been made available.
- d. The statements of expenditures can be relied upon to support the related withdrawal applications.
- e. Goods and services financed have been procured in accordance with the relevant Financing Agreement and Separate Agreements and Government Rules
- f. The current project accomplishment in terms of budget to actual comparison is 10%, showing extremely inadequate performance
- g. Specific deficiencies and areas of weakness have been identified in the internal systems and controls of the implementors. These have been communicated in the separate management letter.
